

AT A GLANCE

BREXIT: Checklist for EU and UK transports

The checklist below contains the information that will be required to manage your customs declarations when the Brexit transition period ends on 31st December 2020. To process your data, our experts have developed [a simple automated customs solution](#), so you can meet any formality which will become compulsory in both the UK and the European Union (EU). This will ease the pain of data collection and help you move your goods smoothly.

Accelerate your customs declaration process with us and make customs clearance a seamless experience.
